General Terms and Conditions of Sale in the Canada.

Price: The price for any product (hereinafter "Product") or service shall be the price stated in the Bio-Rad Laboratories, Inc. (hereinafter "Bio-Rad") quotation. Bio-Rad's quotations are valid for ninety (90) days unless otherwise stated in the quotation. Prices stated are exclusive of all taxes, fees, licenses, duties or levies and, unless otherwise stated in the quotation, transportation charges, freight and insurance. All pricing and special offers are subject to approval by Bio-Rad's National Sales Office and are not binding until this review is complete and approval has been given. Discounts only apply to the Products and Services that are ordered under the same purchase order number or placed at one time. Educational pricing is contingent upon receipt by Bio-Rad of a signed educational voucher submitted with the purchase order. The attached quotation supersedes/cancels all previous quotations on the Products and Services stated in the quotation and the above price quotation number must be referenced on your purchase order.

Shipping and Handling: Unless otherwise requested, stocked items will ship within 48 hours on a carrier selected by Bio-Rad. Back-Ordered items will ship as available. Unless specifically quoted, shipping and handling charges will be prepaid and added to the invoice (PPD & Add). Shipping for this quote is FOB Destination.

Unless otherwise stated, a one time freight charge as described below will apply:

- \$30.00 freight charge for orders with a total value of \$0 to \$1,000.00
- 3% of the total value of the order for orders with a total value from \$1,001.00 to \$20,000.00
- a maximum charge of \$600 for orders over \$20,000

Warranty: All products sold by Bio-Rad Laboratories (Canada) Ltd. are guaranteed to meet the specification listed in our catalogue. Should a Bio-Rad branded product fail to meet specifications during its warranty period, it shall be repaired or replaced at Bio-Rad's discretion.

In general, all products sold by Bio-Rad Laboratories (Canada) Ltd. are warranted for a period of 1 year, any exceptions to this period of coverage will be noted on the quotation.

Instrument warranties do not include consumable parts such as o-rings, batteries, lamps, lasers and platinum wire. Repairs required as a result of misuse, improper use, instrument modification or unauthorized repair attempts during the warranty period will not be covered by the original or extended warranties and will be billed at current rates for parts, labour and travel. Chemicals and other consumables are warranted through their expiration date as indicated or for 1 year if there is no expiration date. Non Bio-Rad branded products such as computers and computer peripherals, are covered by the original equipment manufacturer's warranty. Warranties are not transferable from the original purchaser and warranty coverage may be void if the product is moved outside of Canada. Repairs performed on instruments that are no longer covered by the original or extended warranty carry a 90 day warranty for labour and on the parts replaced.

The warranty will commence the day after a product is shipped unless installation/training is quoted and/or purchased with an instrument. If installation/training has been explicitly purchased/included (catalogue #'s ending in "T"), the instrument warranty will commence the day the installation and training was completed or ninety (90) days after the date of shipment (whichever occurs first). The above warranty extends only to the original buyer and can not be transferred to a subsequent owner.

Product warranty, regardless of duration, is valid only within Canada and covers defects in material and workmanship. If an actual material defect is discovered, Bio-Rad will, at its option, repair or replace the product at no charge to the customer, or refund the purchase price; provided Bio-Rad is notified within the warranty period, and the product has not been misused. Usage of these products in biological safety level containment facilities greater than BSL-2 may, at Bio-Rad's discretion, void the stated warranty. THE WARRANTIES IDENTIFIED ABOVE ARE THE SOLE AND EXCLUSIVE WARRANTIES WITH RESPECT TO BIO-RAD'S PRODUCT AND ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED. ALL OTHER WARRANTIES ARE EXPRESSLY DISCLAIMED, INCLUDING WITHOUT LIMITATION THOSE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE (WHETHER ARISING FROM A STATUTE, OR OTHERWISE IN LAW, OR FROM A COURSE OF DEALING, OR USAGE OF TRADE). THIS WARRANTY IS NOT TRANSFERABLE FROM THE ORIGINAL PURCHASER TO A SUBSEQUENT OWNER. FURTHER, BIO-RAD IS NOT LIABLE IN CASES OF DELIBERATE, NEGLIGENT OR ACCIDENTAL MISUSE OF ANY BIO-RAD PRODUCT, USE WITH INAPPROPRIATE REAGENTS OR CONSUMABLES, DAMAGE CAUSED BY DISASTER, OR REPAIR MODIFICATIONS DONE BY ANYONE OTHER THAN BIO-RAD.

Sales Tax: Applicable state sales tax will be added to your order. If you have tax exempt status, please forward a copy of your exemption certificate with your first order.

Payment Terms: 8f. In general, payment terms are Net 30 days for customers with an established account provided that sufficient credit is available. Credit limit shall be determined at the sole discretion of Bio-Rad Laboratories (Canada) Ltd.

Patent Disclaimer: Bio-Rad does not warrant that the use of the Products or Services will not infringe the claims of any patents covering the Products or the use of these Products or Services in combination with other products or in the operation of any process. Purchase of a Bio-Rad Thermal Cycler, or a base unit in combination with its immediately attached Bio-Rad sample block module(s), or a Dyad Disciple in combination with its immediately attached Bio-Rad sample block module(s) and a personal computer loaded with Disciple Desktop software, conveys a limited non-transferable license for the purchaser's own internal research and development and for use in applied fields other than Human In Vitro Diagnostics under one or more of U.S. Patents Nos. 5,656,493, 5,333,675, 5,475,610 (claims 1, 44, 158, 160-163 and 167 only), and 6,703,236 (claims 1-7 only), or corresponding claims in their non-U.S. counterparts, owned by Applied Biosystems. No right is conveyed expressly, by implication or by estoppel under any other patent claims, such as claims to apparatus, reagents, kits, or methods such as 5' nuclease methods. Further information on purchasing licenses may be obtained by contacting the Director of Licensing, Applied Biosystems, 850 Lincoln Center Drive, Foster City, California 94404, USA. Furthermore, Bio-Rad Real-Time Thermal Cyclers are licensed real-time thermal cyclers under Applied's United States Patent No. 6,814,934 B1 for use in research and for all other fields except the fields of human diagnostics and veterinary diagnostics.

Claims and Returns: Bio-Rad attempts to fill, check and ship orders promptly. If errors occur, report them to Bio-Rad immediately. Any claims for damaged, missing or defective Product must be reported to Bio-Rad within 20 days from the date of receipt of the Product. In addition, buyer must promptly return a rejected Product to Bio-Rad, prepaid via Bio-Rad's preferred carrier, accompanied by a valid return authorization number obtained from Bio-Rad. For any valid claim timely made, Bio-Rad, at its option, may repair Product or replace Product with an identical or substantially similar Product. Returns may be subject to restocking fees and Bio-Rad does not accept return of erroneously ordered products that require blue or dry ice shipment.

Force Majeure: Bio-Rad shall not be liable for any delay or failure of performance, including without limitation, failure to deliver or failure to install, where such delay or failure arises or results from any cause beyond Bio-Rad's reasonable control, including, but not limited to, flood, unusually severe weather, earthquake or other act of nature, power loss, strike, boycott, or other labor disputes, embargo, governmental regulation, or an inability or delay in obtaining materials. In the event of any such delay or failure of performance, Bio-Rad Laboratories shall have such additional time within which to perform its obligations hereunder as may be reasonably necessary under the circumstances.

LIMITATION OF LIABILITY: BIO-RAD'S LIABILITY SHALL BE LIMITED TO THE PURCHASE PRICE PAID BY YOU FOR THE BIO-RAD PRODUCTS AND SERVICES ON THE RELEVANT SALES ORDER. EXCEPT AS PROHIBITED BY LAW, IN NO EVENT SHALL BIO-RAD BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES OR FOR LOST PROFITS, LOSS OF DATA, OR FOR ANY OTHER CLAIM, EXPENSE, LIABILITY OR LOSS OTHERWISE ARISING FROM ANY SALE OF PRODUCTS AND SERVICES TO YOU.

Order Placement: Please fax or email a copy of your order to the Bio-Rad Laboratories National Sales Office. (Mailed confirmations are not required.) Please be advised that an account must be established with Bio-Rad Laboratories Life Science Group before orders will be processed for shipment. Contact our Sales Office at 1-800-268-0213 for more information.

Additional Terms and Conditions: Please consult page xii of our Life Science Research catalog under the heading "Ordering and General Information" for additional terms and conditions that apply to your purchase of Bio-Rad Products and Services.

Note: Quotes for Process Chromatography products and SELDI services are subject to Additional Terms and Conditions, to the extent there is a conflict between the Additional Terms and Conditions and this General Terms and Conditions, the Additional Terms and Conditions shall control. The Shipping and Handling, Warranty and Claims and Return sections of this General Terms and Conditions shall not apply to SELDI services. Please see **additional** notes on the Quote front page, or contained within the Services or Research Workplan.
